TO ALL MEMBERS:

May 25, 2015

This letter outlines the procedures to follow in this election. The person who is elected will become a Regional Representative or the Secretary-Treasurer of the National Council 4000.

To ensure the confidentiality and the validity of your vote, please follow the next three steps:

1. Please clearly mark the ballot(s) for the candidate(s) of your choice.
2. Place it(them) in the envelope marked "BALLOT/BULLETIN DE VOTE" and seal the envelope.
3. Then place the "BALLOT/BULLETIN DE VOTE" envelope inside the larger envelope with the return address to National Council 4000, please ensure to mark your name and address on the top left hand corner and put it into the royal mail. Ballots should be **received by June 19th, 2015** but please return them as soon as possible.

When this is received, your name will be checked against our lists and then the **sealed return envelope** will be **KEPT INTACT** in a box until the ballots are counted.

DO NOT DEFACE THE CONTROL NUMBER AS THIS WILL CAUSE THE VOTE TO BE REJECTED.

If you know someone who didn't receive his/her ballot or if you need additional information, please contact the person from the Election Committee of your region: **4001** – Sandy Barwell (780 569-0899 – stampfan4ever@shaw.ca), **4002**: Pauline Fondeur (204 422-4033 - trkermom10_4@hotmail.com), **4003**: Nick Ricci (416 801-1001 - nickricci@sympatico.ca), **4004**: Mario Nascimento (514 231-4608 - caw_mario@bell.net), **4005**: Nancy Risser (902 233-4747 - thetrain-lady@hotmail.com) or Council **4000** (450-671-0119 - council4000@bellnet.ca).
