

Experience Counts

Re-Elect Mark Robinson Regional Representative

I have represented my brothers and sisters as Council 4000's Regional Representative for the past 3 years. Over **1055 demerits have been removed** from employees' records due to my negotiation skills and I have been able to bring back **13** members to work after **unfair dismissals**. I have written over **653** Step 2 and Step 3 grievances since becoming the Regional Representative. I have also won numerous WSIB cases and GWL claims. Unfortunately for some of our CN membership, the Company has continued to consolidate work in Montreal which was not in our control. However, I was able to negotiate packages which helped alleviate the adverse affects on all our members. Previously, I represented my brothers and sisters for 5 years as **Local Chairperson** and 4 years before that as a **Grievance Officer**, researching and preparing for investigations and writing grievances at the Step 1 and 2 levels as well as Step 3 level.

What I bring to the table: Excellent understanding of 5.1, 5.1 Supplemental and 5.32 Agreements. **Collective bargaining experience.** Grievance and Arbitration experience. Highly motivated and dedicated. Dependable and professional. Always available!

Unifor Experience: Regional Representative, Bargaining Representative Great Lakes Region, Bargaining Representative TTR, Council 4000 Policy Health and Safety Committee Member, National Strike Coordinator Council 4000, Local Chairperson 5.1 and Grievance Officer 5.1 !

Education: WSIB Return to Work, Conflict Resolution, Grievance Handling and EFAP Peer.

Rail Experience: Conductor, Crew Dispatcher, Rate Representative and Sr. Timekeeper.

I AM A DEDICATED AND THOUGHTFUL REALIST WITH STRONG **TRAINING AND EXPERIENCE** WHICH HAS GIVEN ME A VALUABLE UNDERSTANDING OF THE COLLECTIVE AGREEMENTS AND HOW THEY APPLY TO ALL OUR MEMBERS.

Vote for Experience. Vote for **Mark Robinson**.
