

# Elect Mark Robinson as President

Vote for: Experience    Dedication    Professionalism

Thank you for your support during the first round of this election for President of Unifor National Council 4000. **Now I am asking for your support again in the upcoming runoff election.** I believe I can bring a new voice, a new perspective and a new vision to our Union.

My positions for moving our Union forward are:

- |  |   |
|--|---|
| 1. <b>Improve the quality of life for the members.</b> | 5. <b>Strong Collective Agreements.</b>             |
| 2. <b>Communication with our members.</b>              | 6. <b>Ensure our membership is respected.</b>       |
| 3. <b>Solidarity of all membership.</b>                | 7. <b>Ensure our Local Unions provide training.</b> |
| 4. <b>Bargaining.</b>                                  | 8. <b>Continued transparency.</b>                   |

I am the current Regional Representative for the Great Lake Region servicing three different collective agreements and have over 11 years of experience in the Union and 20 years in a unionized environment. I am the current Council 4000 Policy Health and Safety Committee Member, Bargaining Representative for CN Rail and Toronto Terminal Railway, and have served as the National Strike Co-ordinator during CN bargaining. I have won numerous WSIB cases and GWL claims. I have been involved in every aspect of the grievance procedures up to and including arbitration. I have also negotiated and written many overtime and spare board agreements.

I am a dedicated, thoughtful realist, with strong training and experience which has given me a valuable understanding of the collective agreements and how they apply to all our members.

In Solidarity,  
**Mark Robinson**
