

## Local 101R CP Rail Leadership Meeting

Sisters and brothers,

Your elected leadership from across the country met in Montreal on Thursday February 19, 2015 to review the full details of the tentative agreement that was reached between Unifor and CP Rail. Following a full explanation and discussion over 50 local leadership unanimously endorsed the tentative agreement.

Ratification meetings are now being scheduled for all locations across the country and will commence as early as Monday February 23, 2015. For full details on the ratification meeting times and locations, please contact your local leadership and/or your Vice-President.

Jerry Dias, Peter Kennedy, Michel Ouimet and Unifor Local 101R President Tom Murphy, want to express their appreciation once again for the membership's solid support and to the strike committees and coordinator, Gary Vandebossche for their commitment in accepting the responsibility to coordinate our efforts across the country.

We look forward to meeting our membership at the ratification meetings, to provide them the full details of the tentative agreement.

In Solidarity,
