

Hello my fellow Brothers and Sisters of Local 4001, my name is Stuart Bruer. I have been the Local Chair of Alberta South for more than four years. Throughout this time, I have taken several courses to prepare myself to better support my fellow members through statements and Grievances. I am continually looking for ways to ensure that my members feel supported and I am accessible to answer their concerns anytime. I am not afraid to research and seek out ways to move forward with management support and by our collective agreement. The reassurance I give my local members and now I offer to you as your potential Regional Representative is that I will stand for and support every one of you through work grievances or any work-related concerns. My reassurance and promise that I will do my due diligence to represent members using our collective agreement, I firmly believe in listening to my members so I can best represent your voice in negotiations and influence decision-making process.

Voting for Stuart Bruer means that I will reassure you that I will do my utmost to listen and voice your concerns in all decisions and discussions I partake. I will bring my diverse experience from my years at CN as a groundsman, crane operator, and Local Chair. I am knowledgeable, strong interpersonal skills, willing to collaborate with members and management and strong communicator to serve the best interest of the local.

**Vote for Stuart Bruer for Regional Representative**
